About College

KLS Gogte Institute of Technology (KLS GIT)

KLS GIT is the flagship Institute of Karnatak Law Society, Belagavi established in the year 1979.

KLS GIT is Approved by AICTE and UGC, permanently affiliated and Autonomous under Visvesvaraya Technological University (VTU), Belagavi and conferred with NAAC A+ and NBA accreditation.

KLS GIT offers 10 UG including B.Sc. (Hon.) and B.Arch., 7 PG including MBA, MCA and Integrated MCA. Also runs 10 Research Programmes approved by VTU, Belagavi.

KLS GIT has the honor of sheltering over 4500 students and more than 250 qualified and motivated faculty.

KLS GIT has Excellent infrastructure spread over 23 acres of mango meadows comprising of excellent facilities like Flexible Manufacturing System (FMS), 3-D Printing, CAD/CAM, AI & ML, Python, Data Science & Cyber Security, Structural & Transportation Engineering, Digital Signal Processing, Network Analysis, VLSI, High Voltage Engineering, Power Systems, Aerodynamics, Aircraft propulsion and Advanced Flight Simulation and Nano Science.

About Department

Welcome to Master of Computer Application Department

MCA@GIT was founded in the year 1999.

From the last two decades this department has been nurturing graduates from the streams like BCA, BSc and BCom with excellent technical skills, managerial skills, soft skills and ethical values; as a result of which today our alumni are either successful IT professional in top notch IT companies, entrepreneurs or academicians.

The speciality of MCA@GIT is its ability to provide state-of-the-art facilities and infrastructure with the backup of highly qualified and dedicated staff. Other than adopting conventional learning process, this department imparts knowledge through workshops, expert talks, certification programmes, cultural/technical programmes, internships etc. and has thus created its unique brand identity in the entire North Karnataka.

About Innoverse 2.0

INNOVERSE 2.0 is a national-level hackathon designed to ignite innovation and challenge brilliant minds in the domains of Artificial Intelligence, Machine Learning, Cybersecurity, and Blockchain. Organized by the MCA Department of KLS Gogte Institute of Technology, the event brings together creative thinkers and tech enthusiasts to design impactful solutions within a high-energy 24-hour coding marathon. With separate competitive tracks for MCA and BCA students, INNOVERSE 2.0 aims to inspire new ideas, build futuristic prototypes, and celebrate the spirit of technology and teamwork.

Rules And Regulations

Eligibility

- Participants must be currently enrolled MCA or BCA students.
- Participation is strictly team-based only.
- Each team must have exactly 3 members
- A team can belong to only one stream (MCA or BCA).

REGISTRATION GUIDELINES

- Teams must register before the deadline announced by organizers.
- A unique Team Name must be provided during registration.
